5 Sales Strategies that WORK

freshbenies®

A FRESH APPROACH TO BENEFITS

Need new strategies to help your clients? Our best brokers use these methods to sell freshbenies with proven results.

- 1 When plan disruptions are imminent, **implement Advocacy services ahead of other changes**

I had 3 health plan options and wasn't sure which would be right for my family. I gave the info to my Health Pro. She searched for my current providers, figured how much our prescriptions would cost, and compared deductibles to guide me to the BEST choice for my family's needs. – Janet

- 2 When there's past low usage of similar services, **demonstrate the value of a provider with validated results and a proven engagement system to drive market-leading utilization**

freshbenies **Advocacy** and **Telehealth** results are independently validated

- 3 When self-funded groups need to control costs, **equip employees to become better healthcare consumers for strong ROI**

My son was sick and needed a couple of prescriptions. I looked them up with the freshbenies app and found I could save over \$70 on one of them just by driving 5 minutes to a local grocery store. I couldn't believe it! I'm glad I used the app. It's so easy! – Kari

- 4 When more costs are shifted to employees, **provide consumerism tools that help families control healthcare – saving them hundreds to thousands**

The doctor referred me to an MRI facility that quoted \$3500...the freshbenies Advocacy service found me a facility that cost \$400. – Dan

- 5 When there are populations of unbenefited employees, **differentiate by providing a benefit that gives value to ALL employees.**

I'm so grateful for my freshbenies membership! It has truly saved me hundreds of dollars over the last several months. I saved \$50 on a routine dental check-up, used telehealth 4 times, saved about 50% on prescriptions that were written over the phone, saved time going to the doctor, and saved money on my contacts. LOVE FRESHBENIES! – Connie
